PROSPECTUS OF THE SOUTHERN PATRIOT,
TO BE PUBLISHED AT GREENVILLE, S. C.

It is proposed to issue an Independent Tri-Weekly and Weekly Newspaper in the Town of Greenville, S. C., to be styled "THE SOUTHERN PATRIOT," devoted to commerce, Agriculture, Manufactures, Politics, Literature, Science, and the general improvement of the country in all her industrial pursuits—defending the Rights of the South, the Federal Constitution, and the Integrity of the Union of the States—and opposing the Anti-Republican, ruinous and corrupting policy of South Carolina's continuing in the hazards and speculation of Banking.

"The Southern Patriot" has originated with, and belongs to an association of gentlemen, who own nearly a thousand slaves, and are worth several hundred thousand dollars.—This should be regarded by the community, independent of their honor their lives and characters, as some guaranty of Fidelity to the South, and at least as an earnest of their interest in the Justice, Wisdom, and Stability of the Government.

The Proprietors are under the impression that the growing importance of our Town—its heavy Mercantile and Manufacturing business, the anticipated Railroad facilities, and our present Mail arrangements, together with the general Intelligence, Prosperity and Patriotism of our District, must insure the success of a Tri-weekly Newspaper—giving to the business community the news and Telegraphic Despatches, sooner than they can be received through the Tri-weekly city papers.

The undersigned have been charged, by the Proprietors, with the Editorial Department of "The Southern Patriot." It is not without reluctance that they assume this grave responsibility; but having done so, neither time, labor, nor energy, shall be wanting to make the Paper worthy of public patronage. Arrangements will be made to have Correspondents in Washington and other cities—giving intelligence in advance of the press—and the Prices Current, and state of the Charleston, Columbia, Hamburg and Greenville Markets will be regularly and correctly quoted.

"THE SOUTHERN PATRIOT" will be issued on superior paper, neatly and beautifully printed, with new and clear type, at Three Dollars per annum for the Tri-weekly, payable in advance. The Weekly Paper will be a large sheet, containing substantially the same matter as the Tri-weekly, for One Dollar and Fifty Cents per annum, payable in advance. This will be the cheapest Newspaper of its size and quantity of matter in South Carolina—and is intended to reach those points of the country whose mail facilities are limited.

Any agent forwarding ten subscribers to either paper, shall receive a copy gratuitously.
The publication of "THE SOUTHERN PATRIOT" will commence on the first of January next.
